All memberships are for the calendar year. New member applications received January 1 through August 31 are processed for that calendar year. Those received September 1 or later are processed for membership beginning January 1 of the following year.

AAGS requirements for membership

Member – AAGS promotes using geodesy for creating and using geospatial information. Anyone using geodesy to create geospatial data – such as Land Surveyors, GIS professionals, or remote-sensing professionals – or who works in an allied field – such as geophysics or cartography – is welcome to join as a regular member. See www.aagsmo.org for the full details.

Affiliate – Any person who is a member of an organization that has entered into an affiliation agreement with AAGS.

Associate – Any person with an interest in geodetic surveying/cartography who is not eligible to be a Full or Associate Member.

Student – Any person pursuing a course of study as an undergraduate or graduate student on a full-time basis (as defined by the academic institution) leading to a career in geodetic surveying, geographic or land information systems, cartography, or surveying is eligible for Student Membership.
